your wife and you hide in a bunker after a chemical apolalipse. This is a bunker builder game. You need to eat vegetables, or drink some water to stay alive .NPC also need 5d3b920ae0

Title: Bunker Rush

Genre: Action, Adventure, Indie, Simulation, Strategy

Developer:

Luxuria

Publisher:

Luxuria

Release Date: 18 May, 2018

English

The videos and screenshots look more promising, than the game really is. All you get, is an early alpha version. I started a discussion a few weeks ago, with no reaction. You should not buy this game, sorry, it's really bad.
